“Elkeles writes convincingly about family tensions, retreating from painful reality, and teens outgrowing their old skins.” —*School Library Journal*

“This novel will appeal both to boys, for Caleb’s toughness and his situation, and girls, for the steamy romance.” —*Booklist*

“*How to Ruin a Summer Vacation* brings us a complex and fascinating teen who, despite her expectation, has the type of summer any girl should envy!” —Diana Peterfreund, author of *Secret Society Girl*

“Amy’s thoughtfulness and depth raise this book above most of the chick-lit genre.” —*VOYA*

“Full of silly circumstances (just like real life), this is a multidimensional coming-of-age story. You don’t need to have read the rest of the series to enjoy this one.” —*RT Book Reviews*
